GO FURTHER. STAY LONGER

A multi-terrain masterpiece. The Habitat is a touring motorhome designed for the free camper who wants to travel further, camp more remotely and stay longer. With features such as higher ground clearance, all terrain tyres, checker plate finished, increased departure angle, and forward protection bar there is nothing holding you back.

With rugged all-terrain capabilities, premium living comforts, and long-range autonomy, the Habitat is designed to carry both essential and optional items teamed with increased water storage and upgraded power systems truly allow you to go further and stay longer.
