COMPACT LUXURY, UNMATCHED IN ITS CLASS

The Sunliner Pinto stands as the most luxurious motorhome of its size on the Australian market, offering premium living without the footprint of a large RV. Available in four layouts across two lengths, the Pinto showcases Sunliner's commitment to high-end design, sophisticated styling and intelligent space utilisation.

A highlight of the range is the innovative full walk-in electric robe, providing functional, secure storage for bikes and e-scooters—kept safely locked inside overnight while maintaining full interior usability. Inside, the Pinto delivers the complete suite of comfort and convenience features expected in a larger motorhome, all refined into a compact, elegant form.

Thoughtfully crafted and beautifully appointed, the Pinto offers a luxury touring experience that proves size is no barrier to sophistication.
